A Premeditated Sale!

Georgette Dance Frocks

Exceptional Values

\$25

Realizing that immediately
after Easter there would be
so many dances that just
about every woman and miss
who dances would need such
dresses, we purchased this
lot to sell at a specially low
price.

Georgette Frocks in
Handkerchief
Drape Model

Yes, there are handkerchief
frocks at this price, but NOT
LIKE THESE. Each dress has
fifteen large handkerchiefs caught
at the waistline and hanging in
ample fullness to the bottom.
Floral corsage finishes the
bloused bodice at waistline, where it meets a tiny metal ribbon band.
Handkerchiefs are picot edged with silver thread, and the sleeve sec-
tion is also a handkerchief. Colors: Peach, apricot, Chinese blue,
almond green, rose, gray, orchid, canna, sand, white and all the deli-
cate evening tints. You'll look like a cloud floating among the
dancers when you wear yours at the after-Easter functions.

Easter will be made brighter by
Women Wearing These

New Coats at \$29.50

"What fabrics are they wearing?" asks the woman who
would be up to the last minute of fashion. Madam, we are
pleased to state that latest reports from Fashion's headquarters
authorize

Sport Coats of Camel's Hair, Polaire and Herringbone
Tweeds. These will please you because the styles vary so charm-
ingly. Baggy coats for women who affect that swagger style.
Toppers for the woman or miss with a tendency toward Eng-
lish modes. Box, raglan and spread models, but all with one
idea—STYLE.

Dressy Coats, chiefly of the wrappy kinds, in Spring-weight
Shawsheen, Bolivia, Normandie and Pandora. Capes and semi-
capas that evolve into a coat, somehow—talent of the designer,
you know. Colors of the mode and all so beautiful in color, so
perfect in tailoring, that you'll wonder how we can sell them at
this low price.
